

Visit *Global Women's Project* at our booth to meet the steering committee and learn about our five partner projects!

Building on 30+ years of connecting women around the world, we would love to connect with you!

In the spirit of simplicity, we invite you to an afternoon **tea time on Tuesday, July 5, at 4:45pm at our booth.** Learn about our worship resources, Lenten calendars, gifts for Mother's Day and all holidays and more!

**Global Women's Project** seeks to educate ourselves (*as variously privileged people*) about the global poverty, oppression and injustice that women suffer, and how our own overconsumption and misuse of resources directly contributes to their suffering.

Learn about our **partner projects** at our booth, or contact us at [info@globalwomensproject.org](mailto:info@globalwomensproject.org), [www.globalwomensproject.org](http://www.globalwomensproject.org), or at:

Global Women's Project  
Church of the Brethren  
1451 Dundee Ave.  
Elgin, IL 60120

Global Women's Project invites all **women to live in solidarity** with women around the world seeking to empower women and girls in their own communities in living a life of dignity and respect.
